

SW SouthWest Transit Community Design Contest

Contest Guidelines

In early 2025, SouthWest Transit is expanding its fixed route service to serve the 494 Corridor. With convenient Park & Ride Stations in Chaska, Chanhassen, and Eden Prairie, residents of the Southwest metro will have additional transit options when going to destinations along 494 including the Mall of America and MSP Airport.

This new service requires SouthWest Transit to put 10 new vehicles into service, each requiring a “wrap”, (an advertisement that covers the whole vehicle) and what better way to launch a new route than getting the community we serve involved!

Eligibility:

- All individuals ages 11-18 years old as of December 31, 2024 who live or go to school in SouthWest Transit’s primary service area of Eden Prairie, Chanhassen, Chaska, Carver, and Victoria.
