

Attention SW Prime Riders: Beginning May 14th, SW Prime will be partnering with Lyft to ensure you the best. Now you can truly have both affordable and timely local curb-to-curb travel experience!

SW Prime Dispatch will offer a Lyft Coupon Code to riders that call in and are facing longer than usual wait times (30+minutes). The coupon code will be good for one **\$4 discount off any Lyft ride** that occurs within the SW Prime service area (Eden Prairie, Chanhassen, Chaska, Victoria, Carver & Southdale on Saturdays) during SW Prime service hours only.

Riders will receive the discount codes through their email. The email will contain a link to a page on a website where the rider will be provided their unique one time use code. Ride SW Prime today!
